RE: *Dorothy Manzy v. The Montgomery Housing Authority*  
In the United States District Court, for the Middle District of Alabama,  
Northern Division; Case No. 2:05-cv-395-ID-SRW

Dear Norman:

I have written several letters requesting the Plaintiff's overdue initial disclosures and discovery responses. We need to move this case along and want to take the Plaintiff's deposition after we receive initial disclosures and discovery responses. As you know, courts prefer that parties work out discovery disputes without involving the court, but we will have no choice but to file a motion to compel if we do not receive some kind of response from you. The Middle District requires that the parties meet in person to discuss discovery disputes before filing a motion to compel; therefore, please provide us with dates on which you are available to meet.

I look forward to hearing from you soon.

Sincerely,

Angela R. Rogers
